Agalena Fagalena

Agalena Fagalena oakatoka wockatocka
Ockatocka woka was her name, what a shame.

She had seven hairs in the middle of her head,
Three were alive and four were dead oh,

Agalena Fagalena oakatoka wockatocka

She had two eyes in the middle of her head,
One was green and the other was red oh,

Agalena Fagalena oakatoka wockatocka

She had two teeth in the middle of her mouth,
One pointed north and the other pointed south oh,

Agalena Fagalena oakatoka wockatocka
Ockatocka woka was her name, what a shame.

She had two bazonks in the middle of her chest,
One pointed east and the other pointed west oh,

Agalena Fagalena oakatoka wockatocka
Ockatocka woka was her name, what a shame.

She had two navels in the middle of her belly,
One filled with peanut butter, the other filled with jelly oh,

Agalena Fagalena oakatoka wockatocka
Ockatocka woka was her name, what a shame.

Alice the Camel

Alice the camel has five humps,
Alice the camel has five humps,
Alice the camel has five humps,
So, go, Alice, go!
Boom, boom, boom!

(Substitute 4-3-2-1 humps)

Alice the camel has no humps,
Alice the camel has no humps,
Alice the camel has no humps,
Cuz Alice is a horse!

Amazing Grace

Amazing Grace! How sweet the sound,
That saved a wretch like me!
I once was lost, but now am found,
Was blind, but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed!

Through many dangers, toils and snares,
I have already come;
It's grace that brought me safe thus far,
And grace will lead me home.

When we've been there ten thousand years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we first begun.

Amazing Grace! How warm the sound
That gave new life to me.
He will my shield and portion be
His word my hope secures.

American Pie

A long, long time ago, I can still remember how that music
used to make me smile
And if I had my chance, That I could make those people dance
and maybe they'd be happy for a while
But February made me shiver, with every paper I'd deliver
Bad news on the doorstep, I couldn't take one more step
I can't remember if I cried when I read about his widowed bride
Something touched me deep inside
The day the music died

CHORUS: So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And them good old boys were drinkin' whiskey and rye
Singin' this will be the day that I die, this will be the day that I die

Did you write the book of love
And do you have faith in God above, if the bible tells you so?
Do you believe in rock and roll
Can music save your mortal soul and can you teach me how to dance real
slow?
Well I know that you're in love with him 'cuz I saw you dancin' in the gym
You both kicked off your shoes, man I dig those rhythm and blues
I was a lonely teenage broncin' buck with a pink carnation and a pickup
truck
But I knew I was out of luck the day the music died, I started singin'
*(CHORUS)

Now for ten years we've been on our own,
And moss grows fat on a rolling stone but that's not how it used to e
When the jester sang for the king and queen
In a coat he borrowed from James Dean in a voice that came from you & me
And while the king was looking down, the jester stole his thorny crown
The courtroom was adjourned, no verdict was returned
And while Lenin read a book on Marx, the quartet practiced in the park
And we sang dirges in the dark the day the music died, we were singin'
(CHORUS)

Helter Skelter in a summer swelter
The birds flew off with a fallout shelter, eight miles high and fallin' fast
It landed foul on the grass
The players tried for a forward pass, with the jester on the sidelines in a cast
Now at halftime there was sweet perfume, while sergeants played a
marching tune
We all got up to dance, but we never got the chance
'Cuz the players tried to take the field, the marching band refused to yield
Do you recall what was the feel the day the music died, we started singin'
(CHORUS)

And there we were all in one place,
A generation lost in space, with no time left to start again
So come on Jack be nimble, Jack be quick, Jack Flash sat on a candle stick,
'cuz fire is the devil's only friend
And as I watched him on the stage, my hands were clenched in fists of rage
No angel born in Hell could bread that Satan's spell
And as the flames climbed high into the night to light the sacrificial rite
I saw Satan laughing with delight the day the music died, he was singin'
(CHORUS)

I met a girl who sang the blues
And I asked her for some happy news, but she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before, but the man there said the music
wouldn't play
But in the streets the children screamed, the lovers cried and the poets
dreamed
But not a word was spoken, the church bells all were broken
And the three men I admire most, the Father, Son , and the Holy Ghost
They caught the last train for the coast the day the music died,
And they were singin' **(CHORUS)**

So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And them good old boys were drinkin' whiskey and rye
Singin' this will be the day that I die.

An Austrian Went Yodeling

An Austrian went yodeling on a mountain so high,
When along came a coo coo bird interrupting his
cry.

Oh oh, oh lo ke ke a, oh lo coo coo.

Oh, lo ke ke a oh

(add: 2 coo coo birds, avalanch, bear, etc.)

Barges

Out of my window looking in the night,
I can see the barges flickering light.
Silently flows the water to the sea
And the barges too go silently.

Barges, I would like to go with you,
I would like to sail the ocean blue.
Barges, have you treasures in your hold,
Do you fight the pirates brave and bold.

Out of my window looking in the night,
I can see the barges flickering light.
Starboard shines green and port is glowing red,
I can see the barges up ahead.

Barges, I would like to go with you,
I would like to sail the ocean blue.
Barges, have you treasures in your hold,
Do you fight the pirates brave and bold.

Out of my window looking in the night,
I can see the barges flickering light.
But I must stay here by my window dear
As the barges sail away from here.

Barges, I would like to go with you,
I would like to sail the ocean blue.
Barges, have you treasures in your hold,
Do you fight the pirates brave and bold.

Bird Song

Way up in the sky,
The little birds fly,
While way down in the nest,
The little birds rest.

With a wing on the left,
And a wing on the right,
The little birds sleep,
All through the night.

Shhhh - they're sleeping.
The bright sun comes up,
The dew goes away.
Good morning, good morning,
The little birds say!

Blowin' In The Wind

How many roads must a man walk down,
Before they can call him a man?
How many seas must a white dove sail,
Before she can sleep in the sand?
How many times can the cannonballs fly,
Before they're forever banned?

(CHORUS) The answer my friend, is blowin' in the wind,
The answer is blowin' in the wind.

How many years can a mountain exist,
Before it is washed to the sea?
How many years can some people exist,
Before they're allowed to be free?
How many times can a man turn his head,
And pretend that he just doesn't see?

(Chorus)

How many times can a man look up,
Before he can see the sky?
How many ears must one man have,
Before he can hear people cry?
How many deaths will it take till he knows,
That too many people have died?

(Chorus)

Blue Jay Died

Way down south and not long ago.

A blue jay died of a whoopin' cough.

Well, he whooped and he whooped
And he whooped all day.

And he whooped his head and his tail right off.

Second verse, same as the first,
A little bit louder and a little bit worse!

Boom Boom

Boom, boom ain't it great to be crazy,
Boom, boom ain't it great to be nuts.
Be silly and foolish the whole day through
Boom, boom, ain't it great to be crazy.

Bubble Gum

Aumpa umpa bubble gum, aumpa umpa bubble gum.

My mommy gave me a penny, she told me to buy Jack Benny,
But I didn't buy Jack Benny, instead I bought bubble gum.

Aumpa umpa bubble gum, aumpa umpa bubble gum.

My mommy gave me a nickel, she told me to buy a pickle,
But I didn't buy a pickle, instead I bought bubble gum.

Aumpa umpa bubble gum, aumpa umpa bubble gum.

My mommy gave me a dime, she told me to buy a lime,
But I didn't buy a lime, instead I bought bubble gum.

Aumpa umpa bubble gum, aumpa umpa bubble gum.

My mommy gave me a quarter, she told me to buy a porter,
But I didn't buy a porter, instead I bought bubble gum.

Aumpa umpa bubble gum, aumpa umpa bubble gum.

My mommy gave me a dollar, she told me to but a collar,
But I didn't buy a collar, instead I bought bubble gum.

Aumpa umpa bubble gum, aumpa umpa bubble gum.

My mommy gave me a five, she told me to stay alive,
But I didn't stay alive, I choked on my bubble gum.

Aumpa umpa bubble gum, aumpa umpa bubble gum.

By Old Phantom

By old Phantom's rippling waters,
Where the campfire's bright.
Keep the flames of friendship burning,
In our hearts tonight.
Here we gather, in the twilight,
Loyal friends so true.
Building in our hearts fond memories,
Phantom Lake of you.

Chester

Oh, Chester have you heard about Harry,
Just got back from the army.
I hear he knows how to wear a rose,
Hip hip hurray for the army.

Close Your Eyes

Well, the sun is surely sinking down,
And the moon is slowly rising.
But this old world still keeps spinning round,
And I still love you.

So close your eyes.
You can close your eyes it's all right.
I don't know no love songs,
And I can't sing the blues anymore.
But I can sing this song,
And you can sing this song when I'm gone.

Tomorrow's gonna be another day.
We're gonna have a good time,
And no one's going to take that time away.
You can stay as long as you like.

So close your eyes.
You can close your eyes it's all right.
I don't know no love songs,
And I can't sing the blues anymore.
But I can sing this song,
And you can sing this song when I'm gone.

Country Roads

Country roads, take me home,
To the place I belong.
West Virginia, mountain momma,
Take me home, country roads.

Almost heaven, West Virginia,
Blue Ridge mountain, Shenandoah River.
Life is older, older than the trees,
Younger than the mountains, blowing like a breeze.

Country roads, take me home,
To the place I belong.
West Virginia, mountain momma,
Take me home, country roads.

All my memories, gather round her,
Minors lady, stranger to blue waters.
Dark and dusty, painted on the sky,
Misty taste of moonshine, tear drops in my eye.

Country roads, take me home,
To the place I belong.
West Virginia, mountain momma,
Take me home, country roads.

I hear her voice in the morning hours she calls me.
The radio reminds me of my home far away.
Driving down the road I get a feeling
That I should have been home yesterday, yesterday.

Country roads, take me home,
To the place I belong.
West Virginia, mountain momma,
Take me home, country roads.

Do Your Ears Hang Low

Do your ears hang low,
Do they wobble to and fro,
Can you tie them in a knot,
Can you tie them in a bow,
Can you swing them over your shoulder,
Like a continental soldier,
Do your ears hang low?

Flicker

The flicker of the campfire,

The wind and the pines.

The moon in the heavens,

The stars that shine.

A place where people gather,

Meet friends of all kinds.

A place where all one's troubles

Are always left behind.

So, give me the light of the campfire,

So warm and bright.

Give me some friends to sing with,

I'll be here all night.

Love is for those who find it,

I found mine right here.

Just you and the light of the campfire,

And the songs we love to hear,

Do do, do do do do do do do do do do,

Do do, do do do do do do do do do do.

Friends

Packing up the dreams God planted

In the fertile soil of you,

Can't believe the hope He's granted

Means a chapter in your life is through.

But we'll keep you close, as always.

It won't even seem you've gone,

'Cause our hearts in big and small ways

Will keep the love that keeps us strong.

Froggie Song

Dog.

Dog, cat.

Dog, cat, mouse.

Froggie.

Give Me A Rose

Give me a rose in the winter time, when they're hard to find.
Give me a rose in the winter time, I've got roses on my mind.
For a rose is sweet, most anytime and yet,
Give me a rose in the winter time, how easy we forget.

Give me a smile when I'm far from home, when they're hard to find.
Give me a smile when I'm far from home, I've got smiles on my mind.
For a smile is sweet, most anytime and yet,
Give me a smile when I'm far from home, how easy we forget.

Give me a friend when I'm all alone, when they're hard to find.
Give me a friend when I'm all alone, I've got friends on my mind.
For a friend is sweet, most anytime and yet,
Give me a friend when I'm all alone, how easy we forget.

Give me a kiss when my baby's gone, when they're hard to find.
Give me a kiss when my baby's gone, I've got kisses on my mind.
For a kiss is sweet, most anytime and yet,
Give me a kiss when my baby's gone, how easy we forget.

Give me peace when there's talk of war, when it's hard to find.
Give me peace when there's talk of war, I've got peace on my mind.
For peace is sweet, most anytime and yet,
Give me peace when there's talk of war, how easy we forget.

Give me a rose in the winter time, when they're hard to find.
Give me a rose in the winter time, I've got roses on my mind.
For a rose is sweet, most anytime and yet,
Give me a rose in the winter time, how easy we forget.

Granny's In The Cellar

**Granny's in the cellar,
Lorde don't you smell her
Baking biscuits on that burnt old dirty stove.**

**In her eye there is some matter
That keeps dripping in the batter,
And she whistles while the
(snort) runs down her nose.**

**Down her nose, down her nose,
And she whistles as the
(snort) runs down her nose.**

(Chorus)

Henry the VIII

I'm Henry the 8th I am, Henry the 8th I am, I am.
I got married to the widow next door.
She's been married seven times before and everyone was a Henry (Henry),
wouldn't have a Willie or a Sam. No Sam!
I'm her 8th old man I'm Henry, Henry the 8th I am!

He's Got the Whole World

CHORUS: He's got the whole world in His hands;
He's got the whole world in His hands;
He's got the whole world in His hands;
He's got the whole world in His hands.

He's got the earth and sky in His hands;

He's got the sun and moon in His hands;
He's got the whole world in His hands.

High Hopes

Just what makes that silly old ant,
Think he can move a rubber tree plant?
Everyone knows an ant can't,
Move a rubber tree plant!

But he's got high hopes, he's got high hopes,
He's got, high apple pie in the sky hopes.

So anytime you're feeling bad,
Instead of being sad, just remember that ant!
Whoa! Whoops there goes another rubber tree,
Whoops there goes another rubber tree,
Whoops there goes another rubber tree plant!

Just what makes that silly old ram,
Think he can butt a hole in the dam?
No one can make that ram scam,
He keeps butting that dam!

But he's got high hopes, he's got high hopes,
He's got high apple pie in the sky hopes.

So any time you're feeling bad,
Instead of being sad, just remember that ram!
Whoa! Whoops there goes a million kilowatt,
Whoops there goes a million kilowatt,
Whoops there goes a million kilowatt dam!

Home On The Range

Oh, give me a home, where the buffalo roam,
And the deer and the antelope play.

Where seldom is heard, a discouraging word,
And the skies are not cloudy all day.

Home, home on the range,
Where the deer and the antelope play.

Where seldom is heard, a discouraging word,
And the skies are not cloudy all day.

How Much Is That Doggie in the Window

How much is that doggie in the window,
The one with the waggely tail?
How much is that doggie in the window?
I do hope that doggie's for sale.

I must take a trip to California
And leave my poor sweetheart alone.
If he has a dog he won't be lonesome
And the doggie will have a good home.

How much is that doggie in the window,
The one with the waggely tail?
How much is that doggie in the window?
I do hope that doggie's for sale.

I read in the papers there are robbers
With flashlights that shine in the dark.
My love needs a doggie to protect him
And scare them away with one bark.

I don't want a bunny or a kitty,
I don't want a parrot that talks,
I don't want a bowl of little fishies.
He can't take a goldfish for walks.

How much is that doggie in the window,
The one with the waggely tail?
How much is that doggie in the window?
I do hope that doggie's for sale.

Hump De Dump

Hump de dump, hump hump de dumpty, dumpty

If I Had A Hammer

If I had a hammer, I'd hammer in the morning,
I'd hammer in the evening, all over this land.
I'd hammer out danger, I'd hammer out warning,
I'd hammer out the love between
My brothers and my sisters,
All over this land, ooh, ooh, ooh, ooh.

If I had a bell, I'd ring it in the morning,
I'd ring it in the evening, all over this land.
I'd ring out danger, I'd ring out warning,
I'd ring out the love between
My brothers and my sisters,
All over this land, ooh, ooh, ooh, ooh.

If I had a song, I'd sing it in the morning,
I'd sing it in the evening, all over this land.
I'd sing out danger, I'd sing out warning,
I'd sing out the love between
My brothers and my sisters,
All over this land, ooh, ooh, ooh, ooh.

Now, I've got a hammer, and I've got a bell,
And I've got a song to sing, all over this land.
It's the hammer of justice, it's the bell of freedom,
It's the song about the love between
My brothers and my sisters,
All over this land, ooh, ooh, ooh, ooh.

I'll Fly Away

Some glad morning when this life is o'er, I'll fly away;
To a home on God's celestial shore, I'll fly away;

CHORUS: I'll fly away, O glory, I'll fly away
When I die, Hallelujah, by and by, I'll fly away.

When the shadows of this life have grown, I'll fly away;
Like a bird from prison bars has flown, I'll fly away.

Just a few more weary days and then, I'll fly away;
To a land where joys shall never end, I'll fly away.

I've Got Six Pence

I've got six pence, jolly, jolly six pence,
I've got six pence to last me all my life.
I've got two pence to spend, and two pence to lend,
And two pence to send home to my husband poor husband.
No cares have I to grieve me, no sassy little boys to deceive me.
I'm as happy as a lark believe me, as we go rolling, rolling home.

Rolling home, rolling home, rolling home,
Rolling home by the light of the silvery moon.
Happy is the day when the campers go away, as we go rolling, rolling home.

I've got four pence, jolly, jolly four pence,
I've got four pence to last me all my life.
I've got two pence to spend, and two pence to lend,
And no pence to send home to my husband poor husband.
No cares have I to grieve me, no sassy little boys to deceive me.
I'm as happy as a lark believe me, as we go rolling, rolling home.

Rolling home, rolling home, rolling home,
Rolling home by the light of the silvery moon.
Happy is the day when the campers go away, as we go rolling, rolling home.

I've got two pence, jolly, jolly two pence,
I've got two pence to last me all my life.
I've got two pence to spend, and no pence to lend,
And no pence to send home to my husband poor husband.
No cares have I to grieve me, no sassy little boys to deceive me.
I'm as happy as a lark believe me, as we go rolling, rolling home.

Rolling home, rolling home, rolling home,
Rolling home by the light of the silvery moon.
Happy is the day when the campers go away, as we go rolling, rolling home.

I've got no pence, jolly, jolly no pence,
I've got no pence to last me all my life.
I've got no pence to spend, and no pence to lend,
And no pence to send home to my husband poor husband.
No cares have I to grieve me, no sassy little boys to deceive me.
I'm as happy as a lark believe me, as we go rolling, rolling home.

Rolling home, rolling home, rolling home,
Rolling home by the light of the silvery moon.
Happy is the day when the campers go away, as we go rolling, rolling home.

Jesus Is A Rock

CHORUS: Jesus is a rock and he rolls my blues away,
Do wop and do wop and do wop and do.
Oh, Jesus is a rock and he rolls my blues away,
Do wop and do wop and do wop and do.
Jesus is a rock and he rolls my blues away,
Do wop and do wop and do wop and do.

When you wake up in the morning
And you feel like you're being attacked,
Do wop and do wop and do wop and do.
When you look into the mirror
And you face causes it to crack,
Do wop and do wop and do wop and do.
Jesus gonna love you and baby that's a fact,
Do wop and do wop and do wop and do. (CHORUS)

When you wake up in the morning
And the sky's all black and blue,
Do wop and do wop and do wop and do.
When you wake up and you feel
Like the big world's after you,
Do wop and do wop and do wop and do.
Jesus gonna love you and baby you know it's true,
Do wop and do wop and do wop and do. (CHORUS)

Johnny Rebeck

CHORUS: O, Mr. Johnny Rebeck, how could you be so mean. I told you you'd be sorry for inventing that machine, now all the neighbors cats and dogs will never more be seen. They'll all be ground to sausages in Johnny Rebeck's machine.

Once there was a meat grinder, his name was Johnny Rebeck. He made the finest sausages and sauerkraut inspect'd. He made the finest sausages that you did ever see. And one day he invented, the wonderful sausage machine. (CHORUS)

One day a boy went walking, he walked into the store. He bought a pound of sausages and laid them on the floor. The boy began to whistle, he whistled up a tune, and all the little sausages went dancing 'round the room. (CHORUS)

One day the thing got busted, the darn thing wouldn't go. So Johnny Rebeck he climbed inside to see what made it so. His wife she had a nightmare went walking in her sleep. She gave it a crank and a heck of a yank, and Johnny Rebeck was meat!

Jordan River

Jordan River, I am bound to cross,

To cross, to cross, to cross.

My mother she'll be waiting, my mother can't help me to cross,
My mother she'll be waiting, my mother can't help me to cross,
My mother she'll be waiting, my mother can't help me to cross.
Say you got one more river,
Say you got one more river,
Say you got one more river.
To cross, to cross, to cross.

(The song continues the same with father, and then Preacher)

Then: *Jesus he'll be waiting, Jesus Can help me to cross, etc.

Little Bunny Fufu

Little bunny fufu hopping through the forest,
Scooping up the field mice and bopping them on the head.
Down came the good fairy, and she said,
"Little bunny fufu, I don't want to see you
Scooping up the field mice and bopping them on the head."
"I'll give you three chances to be good,
And if you're not good, I'll turn you into a goon."

So the next day, little bunny fufu hopping through the forest,
Scooping up the field mice and bopping them on the head.
Down came the good fairy, and she said,
"Little bunny fufu, I don't want to see you
Scooping up the field mice and bopping them on the head."
"I'll give you two more chances to be good,
And if you're not good, I'll turn you into a goon."

So the next day, little bunny fufu hopping through the forest,
Scooping up the field mice and bopping them on the head.
Down came the good fairy, and she said,
"Little bunny fufu, I don't want to see you
Scooping up the field mice and bopping them on the head."
"I'll give you one more chance to be good,
And if you're not good, I'll turn you into a goon."

So the next day, little bunny fufu hopping through the forest
Scooping up the field mice and bopping them on the head.
Down came the good fairy, and she said,
"Little bunny fufu, I don't want to see you
Scooping up the field mice and bopping them on the head."
"I gave you three chances to be good,
And you weren't good, so I'm gonna turn you into a goon!" Zap!

Little Red Box

Oh, I wish I had a little red box
To put my good friends in.
I'd take them out and go (kiss-kiss)
And put them back again.

Oh, I wish I had a little black box
To put my bad friends in.
I'd take them out and go (clap-clap)
And put them back again.

Lollipop

Oh, I'd rather suck on a lemon drop
Than try my luck with a lollipop,
'cause a lollipop I always drop,
And it gets all over icky.

Oh, it makes me sick by the way it smears,
Gets all over my hair and ears.
With a jelly bean I'm always clean,
But a lollipop oh icky.

I've tried and tried, but still I can't find,
A lollipop (pop cheek), that's halfway refined.

So, I'd rather suck on a lemon drop
Than try my luck with a lollipop,
'cause a lollipop I always drop,
And it gets all over
Icky, icky, icky, icky, blah!

Lollipops Grow On The Ground

Merry Go Round

Merry Go Round, Merry Go Round.
I watch the others go up and down.
Can't you see they're not just like me.
Why can't I ride the Merry Go Round?

I walked up to the man
With a nickel in my hand.
Although he had a kind face,
He said I must leave this place.

Merry Go Round, Merry Go Round.
I watch the others go up and down.
Can't you see they're not just like me.
Why can't I ride the Merry Go Round?

I fled with tears in my eyes,
Wishing and hoping that I could die.
For I knew in heaven there'd be,
A Merry Go Round just for me.

Merry Go Round, Merry Go Round.
I watch the others go up and down.
Can't you see they're not just like me.
Why can't I ride the Merry Go Round?

Moon Shadow

I'm being followed by a moon shadow
Moon shadow- moon shadow
Leaping and hopping on a moon shadow
Moon shadow- moon shadow

And if I ever lose my hands
Lose my plough, lose my land
Oh, if I ever lose my hands- Oh, if...
I won't have to work no more

And if I ever lose my eyes
If my colours all run dry
Yes, if I ever lose my eyes-Oh if...
I won't have to cry no more

Yes, I'm being followed by a moon shadow
Moon shadow- moon shadow
Leaping and hopping on a moon shadow
Moon shadow moon shadow

And if I ever lose my legs
I won't moan and I won't beg
Oh if I ever lose my legs Oh if...
I won't have to walk no more

And if I ever lose my mouth
All my teeth, north and south
Yes, if I ever lose my mouth-Oh if...
I won't have to talk...

Did it take long to find me
I ask the faithful light
Did it take long to find me
And are you going to stay the night

I'm being followed by a moon shadow
Moon shadow- moon shadow
Leaping and hopping on a moon shadow

Moon shadow
Moon shadow

Mountain Dew

They call it that good old Mountain Dew,
Dew, Dew, and those that refuse it are few-
Mighty few!

I'll hush up my mug if you'll fill up my jug
With that good old Mountain Dew.

My Bonnie

My Bonnie lies over the ocean.
My Bonnie lies over the sea.
My Bonnie lies over the ocean.
Oh, bring back my Bonnie to me.

Bring back, bring back,
Oh, bring back my Bonnie to me, to me.

Bring back, bring back,
Oh, bring back my Bonnie to me.

Nothing Song

Nothing, nothing, nothing, nothing, nothing, nothing all day long.
Nothing, nothing, nothing, nothing, how do you like our nothing song?

Second verse, same as the first, a little bit louder and a whole lot worse!

Oh, A Lay, Lay

Oh, Phantom Lake

Oh, a lay, lay.

Oh, Phantom Lake.

A bay lay tiki tomba.

I love your dark green waters.

A mosa, mosa, mosa.

I love to cool my armpits.

Oh, a lay balou ah balou ay.

In your waters all day long.

On The Loose

On the loose to climb a mountain, on the loose where I am free.
On the loose to live my life, the way I think my life should be.
For I only have a moment, and a whole world yet to see.
I'll be looking for tomorrow on the loose.

Have you ever seen a sunset turn the sky completely red?
Have you ever sat beneath the moon and stars,
With a pine bough for your head?
Have you ever sat and chatted with a friend,
Though a word was never said?
Then you're like me, you're on the loose.

On the loose to climb a mountain, on the loose where I am free.
On the loose to live my life, the way I think my life should be.
For I only have a moment, and a whole world yet to see.
I'll be looking for tomorrow on the loose.

There's a trail that I'll be hiking just to see where it might go.
Many places yet to visit, many people yet to know.
For in following my dreams, I will live and I will grow.
On a trail that's out there on the loose.

On the loose to climb a mountain, on the loose where I am free.
On the loose to live my life, the way I think my life should be.
For I only have a moment, and a whole world yet to see.
I'll be looking for tomorrow on the loose.

So, in search of love and laughter, I'll be traveling this wide land.
Never sure where I'm going, for I haven't any plan.
But in time when you are ready, come join me take my hand.
And together we'll share life out on the loose.

On the loose to climb a mountain, on the loose where I am free.
On the loose to live my life, the way I think my life should be.
For I only have a moment, and a whole world yet to see.
I'll be looking for tomorrow on the loose.

Old Mrs. Leary

**One dark night when we were all in bed,
town tonight!"**

**Old Mrs. Leary left the lantern in the shed,
And when the cow kicked it over,
She winked her eye and said,**

"It'll be a hot time in the old

**Fire, fire, fire!
Water, water, water!**

Old Phantom Spirit

Give me that old Phantom Spirit,
Give me that old Phantom Spirit,
If it's good enough for me.

If it's good enough for _____,

If it's good enough for _____,

If it's good enough for _____,

Then it's good enough for me!

One Bottle of Pop

One bottle of pop, two bottles of pop, three bottles of pop, four bottles of pop, five bottles of pop, six bottles of pop, seven bottles of pop.

Fish and chips and vinegar, vinegar, vinegar, fish and chips and vinegar, pepper, pepper, pepper, pop.

Don't put your dust in my dust pan, my dustpan, my dustpan, don't put your dust in my dustpan, my dustpan's full.

(Divide into three parts and sing as a round.)

Pickin Flowers

CHORUS: Pickin' flowers in the rain and laughing in the sun.
We're trying to teach them how to live by themselves, and still get things done.

Gonna be a counselor at a summer camp, gonna find out what it's all about.
Little eyes are gonna look up at you and little hands will reach out. (CHORUS)

Days are long and nights are short, pay is so small.
And you really don't know if what you say, sinks in at all. (CHORUS)

Build a fire, dig a trench, sharpen an ax with a whetstone.
And maybe next time when we're not here, they can do it on their very own.
(CHORUS)

Sometimes when things don't work out right, and we think that we are flops.
Well, they look at us, and they smile at us and they ask us not to stop. (CHORUS)

And when it's all over and it's time to go, we'll sit and we'll think.
What parts of us do they take along, and what parts do they leave. (CHORUS)

So that's why I'm here at this summer camp and I hope you feel the same way.
There's a lot to get but there's more to give, and I hope you're here to stay. (CHORUS)

Puff The Magic Dragon

(CHORUS): Puff, the Magic Dragon lived by the sea,
Frolicked in the Autumn mist in a land called Honalee.

Little Jacky Paper loved that rascal Puff.
He brought him strings and sealing wax, and other fancy stuff. (CHORUS)

Together they would travel on a boat with billowed sails.
Jacky kept the lookout perched on Puff's gigantic tail. (CHORUS)

Noble kings and princes would bow when 'ere they came.
And pirate ships would lower their flags when Puff roared out his name.
(CHORUS)

A dragon lives forever, but not so little boys.
Painted wings and giant rings make way for other toys. (CHORUS)

One gray night it happened, Jacky Paper came no more.
And Puff that mighty dragon ceased his fearless roar. (CHORUS)
His head was bent in sorrow, green scales fell like rain.
Puff no longer went to play along that cherry lane. (CHORUS)

Without his life long friend, Puff could not be brave.
So Puff that mighty dragon sadly slipped into his cave. (CHORUS)

Princess Pat

The Princess Pat, lived in a tree.
She sailed across, the seven seas.

She sailed across, the channel too,
And brought with her, the rickabamboo.

The rickabamboo, now what is that?
It's something made, by the Princess Pat.

It's red and gold, and purple too,
That's why it's called, the rickabamboo.

Now Captain Jack, had a mighty fine crew.
He sailed across, the channel too,

But his ship sunk, and yours will too,
If you forget, the rickabamboo.

Rocka My Soul

Rocka my soul in the bosom of Abraham,
Rocka my soul in the bosom of Abraham,
Rocka my soul in the bosom of Abraham,
Oh, rocka my soul.

So high, can't get over it,
So low, can't get under it,
So wide, can't get around it,
Oh, rocka my soul.

Rock my soul,
Rock my soul,
Rock my soul,
Oh, rocka my soul.

Seven Daffodils

I do not have a mansion, I haven't any land, not one paper dollar to crinkle in my hand. But I can show you morning, on a thousand hills, and kiss you and give you seven daffodils.

I do not have a fortune to buy you pretty things, but I can weave you moonbeams for necklaces and rings. And I can show you morning, on a thousand hills, and kiss you and give you seven daffodils.

Seven golden daffodils, shining in the sun, lights our way to evening, when our day is done. And I can give you music, and a crust of bread, and a pillow of piney boughs to rest your head. And a pillow of piney boughs to rest your head.

Singing In The Rain

I'm singing in the rain, just singing in the rain.
What a glorious feeling I'm--arms out.

I'm singing in the rain, just singing in the rain.
What a glorious feeling I'm--arms out, thumbs up.

I'm singing in the rain, just singing in the rain.
What a glorious feeling I'm--arms out, thumbs up, elbows in.

I'm singing in the rain, just singing in the rain.
What a glorious feeling I'm--arms out, thumbs up, elbows in, knees bent.

I'm singing in the rain, just singing in the rain.
What a glorious feeling I'm--arms out, thumbs up, elbows in, knees bent, knees together.

I'm singing in the rain, just singing in the rain.
What a glorious feeling I'm--arms out, thumbs up, elbows in, knees bent, knees together, butt out.

I'm singing in the rain, just singing in the rain.
What a glorious feeling I'm--arms out, thumbs up, elbows in, knees bent, knees together, butt out, head back.

I'm singing in the rain, just singing in the rain.
What a glorious feeling I'm--arms out, thumbs up, elbows in, knees bent, knees together, butt out, head back, tongue out.

I love you in the morning,
And in the afternoon.

I love you in the evening,

Sounds of Phantom

Hello Campers and your friends
We've come to talk with you again
Spreading rumors about lots of boys
And your voices have finally reached our ears
Confirmed our fears
And echoed in the sounds of Phantom

We of night stretch walk alone
Narrow Streets of old flagstone
'Neath the halo of a thousand stars
Cha Cha showed us the planet mars
And in the night we heard some campers yell
Their tent just fell
And echoed in the sounds of Phantom

And the tent began to cry
Spiders falling from the sky
And Dave Lee flashed out his warning
In the words that he was forming
He said that the words of the counselors
Are written on the craft shop walls
And Hilton Halls
And echoed in the sounds of Phantom

Star Spangled Banner

O Say can you see by the dawn's early light,
What so proudly we hail at the twilight's last gleaming?
Who's broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh say does that Star-Spangled banner still wave,
O'er the land of the free, and the home of the brave.

Swing Low

CHORUS: Swing low, sweet chariot,
Comin' for to carry me home.
Swing low, sweet chariot,
Comin' for to carry me home.

I looked over Jordan and what did I see,
Comin' for to carry me home.
A band of angels comin' after me,
Comin' for to carry me home.

CHORUS

If you get to heaven before I do,
Comin' for to carry me home.
Tell all my friends I'm comin' after you,
Comin' for to carry me home.

CHORUS

Sometimes I'm up and sometimes I'm down,
Comin' for to carry me home.
But still my soul is a heavenly bound,
Comin' for to carry me home.

CHORUS

Taps

Day is done, gone the sun,
From the lake, from the hill, from the sky.
All is well, safely rest,
God is nigh.

The Littlest Worm

The Littlest worm (repeat each line)
I ever saw
Was stuck inside
A soda straw

I took a sip (repeat each line)
And he went down
Right down my tubes
He must've drowned. (CHORUS)

CHORUS: The littlest worm I ever saw
 Was stuck inside a soda straw

He was my friend (repeat ea. Line)
He was my pal
He was my bud
But he isn't now! (CHORUS)

He said to me (repeat each line)
Don't take a sip
For if you do
I'll surely slip. (CHORUS)

The Other Day

The other day, I saw a bear,
A great big bear, away out there.

I looked at him, he looked at me,
I sized up him, he sized up me.

He said to me, why don't you run,
I see you ain't, got any gun.

I said to him, that's a good idea,
So come on feet, let's up and flee.

And so I ran, away from there,
But right behind, me was that bear.

And up ahead, there was a tree,
A great big tree, oh glory be.

The nearest branch, was ten feet up,
I'd have to jump, and trust my luck.

And so I jumped, into the air,
But I missed that branch, away up there.

Now don't you fret, and don't you frown,
For I caught that branch, on the way back down.

That's all there is, there ain't no more,
Unless I meet, that bear once more.

The Rose

Some say love, it is a river
That drowns the tender reed.
Some say love it is a razor
That leaves your soul to bleed.

Some say love it is a hunger
An endless aching need.
I say love, it is a flower
And you its only seed.

It's the heart afraid of breaking
That never learns to dance.
It's the dream afraid of waking
That never takes the chance

It's the one who won't be taken
Who cannot seem to give,
And the soul afraid of dying
That never learns to live

When the night has been too lonely
And the road has been too long,
And you think that love is only
For the lucky and the strong

Just remember in the winter
Far beneath the bitter snows
Lies the seed that with the sun's love
In the spring becomes the rose.

This Little Light of Mine

This little light of mine, I'm gonna let it shine
This little light of mine, I'm gonna let it shine
This little light of mine, I'm gonna let it shine
Everyday, Everyday gonna let my little light shine.

Three Jolly Fishermen

There were three jolly fishermen,
There were three jolly fishermen.
Fisher, fisher, men, men, men,
Fisher, fisher, men, men, men.
There were three jolly fishermen.

The first one's name was Isaac,
The first one's name was Isaac.
I, I, saac, saac, saac,
I, I, saac, saac, saac.
The first one's name was Isaac.

The next one's name was Jacob,
The next one's name was Jacob.
Ja, Ja, cob, cob, cob,
Ja, Ja, cob, cob, cob.
The next one's name was Jacob.

The third one's name was Abraham,
The third one's name was Abraham.
Abra, Abra, ham, ham, ham,
Abra, Abra, ham, ham, ham.
The third one's name was Abraham.

They all went down to Jericho,
They all went down to Jericho.
Jeri, Jeri, cho, cho, cho,
Jeri, Jeri, cho, cho, cho.
They all went down to Jericho.

They should have gone to Amsterdam,
They should have gone to Amsterdam.
Amster, Amster, I don't swear,
Amster, Amster, I don't swear.
They should have gone to Amsterdam.

Titanic

Oh, they built the ship Titanic, to sail the ocean blue,
And they thought they had a ship that the water would not go through.
But the good Lord raised his hand and the ship would never land,
It was sad when the great ship went down. Yahoo!

It was sad, it was sad.
It was sad when the great ship went down, to the bottom of the sea.
(husbands and wives, little children lost their lives).
It was sad when the great ship went down.

They had just set sail from England, and they were not far from shore,
When the rich refused to associate with the poor.
So they sent them down below where they were the first to go,
It was sad when the great ship went down. Yahoo!

It was sad, it was sad.
It was sad when the great ship went down, to the bottom of the sea.
(husbands and wives, little children lost their lives).
It was sad when the great ship went down.

Oh, the ship was full of sin and the sides were 'bout to burst,
When the captain shouted, "Woman and children first!"
Oh, the first mate tried to wire, but the lines were all on fire,
It was sad when the great ship went down. Yahoo!

It was sad, it was sad.
It was sad when the great ship went down, to the bottom of the sea.
(husbands and wives, little children lost their lives).
It was sad when the great ship went down.

Oh, they threw the life boats over, on the dark and stormy sea.
As the bands struck out with "Nearer My God To Thee."
Little children wept and cried, as the waves rushed over the side,
Oh, it was sad when the great ship went down. Yahoo!

It was sad, it was sad.
It was sad when the great ship went down to the bottom of the sea.
(husbands and wives, little children lost their lives).
It was sad when the great ship went down.

Oh, the moral of the story, as you can plainly see,
Is to wear a P.F.D. on a dark and stormy sea.
The Titanic never made it, and never more shall be,
It was sad when the great ship went down. Yahoo!

It was sad, it was sad.
It was sad when the great ship went down to the bottom of the sea.
(husbands and wives, little children lost their lives).
It was sad when the great ship went down.

Today

Today while the blossoms still cling to the vine.
I'll taste your strawberries, I'll drink your sweet wine.
A million tomorrow's shall all pass away.
'ere I forget all the joys that are mine today.

Oh, I'll be a dandy and I'll be a rover,
You'll know who I am by the songs that I sing.
I'll feast at your table, I'll sleep in your clover,
Who cares what tomorrow may bring.

(Chorus)

I can't be contented with yesterday's glory,
I can't live on promises winter to spring.
Today is my moment, and now is my story,
I'll laugh and I'll cry and I'll sing.

(Chorus)

Turn the World Around

We come from the water, Living in the water
Go back to the water, Turn the world around

We come from the mountain, Living in the mountain
Go back to the mountain, Turn the world around

We come from the fire, Living in the fire
Go back to the fire, Turn the world around

Do you know who I am?
Do I know who you are?
Seeing one another clearly
Do I Know who you are?

(Heart is like a river, Body is the mountain, Fire is the sunlight, Turn the world around
Water is the river, River feeds the mountain, spirit is the sunlight, Turn the world around)

We are of the spirit,
Only can the spirit, Turn the world around

Oho, so is life
Aha, so is life.

Where Have All The Flowers Gone

Where have all the flowers gone, long time passing.
Where have all the flowers gone, long time ago.
Where have all the flowers gone,
Gone to young girls everyone.
When will they ever learn, when will they ever learn.

Where have all the young girls gone, long time passing.
Where have all the young girls gone, long time ago.
Where have all the young girls gone,
Gone to young men everyone.
When will they ever learn, when will they ever learn.

Where have all the young men gone, long time passing.
Where have all the young men gone, long time ago.
Where have all the young men gone,
Gone to soldiers everyone.
When will they ever learn, when will they ever learn.

Where have all the soldiers gone, long time passing.
Where have all the soldiers gone, long time ago.
Where have all the soldiers gone,
Gone to graveyards everyone.
When will they ever learn, when will they ever learn.

Where have all the graveyards gone, long time passing.
Where have all the graveyards gone, long time ago.
Where have all the graveyards gone,
Gone to flowers everyone.
When will they ever learn, when will they ever learn.

White Ruffled Pants

White ruffled pants,
Upon the old clothes line.
Oh, my goodness,
Oh, my goodness gosh,
They're mine.

Oh, don't you wish
That you could wear them too.
That will happen only
When the seat wears through.

Wigg-a-low

Wigg-a-low, Wigg, Wigg-a-low. Wigg-a-low, Wigg, Wigg-a low.

Hey _____! (fill in the blank)

“Hey what?”

Hey _____! (fill in the blank) Are you ready to Wigg-a-low?

“With my hands up high, and my feet down low, this is how I Wigg-a-low. (do some kind of action for all to do)

Wigg-a-low, Wigg, Wigg-a-low. Wigg-a-low, Wigg, Wigg-a low. (they sing this while doing action)

Working On The Railroad

I've been working on the railroad,
All the livelong day.
I've been working on the railroad,
Just to pass the time away.
Can't you hear the whistle blowing,
Rise up so early in the morning.
Can't you hear the captain shouting,
"Dinah blow your horn."

Dinah won't you blow, Dinah won't you blow, Dinah won't you blow
your horn.
Dinah won't you blow, Dinah won't you blow, Dinah won't you blow
your horn.

Someone's in the kitchen with Dinah,
Someone's in the kitchen I know.
Someone's in the kitchen with Dinah,
Strummin' on the old banjo and singing,
"Fee fie fiddily i oh, fee fie fiddily i oh, oh, oh,
Fee fie fiddily i oh, strummin' on the old banjo."

You've Got a Friend

When you're down and troubled
And you need a helping hand
And nothing, oh nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night.

CHORUS: You just call out my name
And you know wherever I am
I'll come running to see you again.
Winter, spring, summer or fall
I'll you have to do is call
And I'll be there, yes I will-
You've got a friend

If the sky above you
Should grow dark and full of clouds
And that old north wind just begins to blow
Keep your head together
And call my name out loud
Soon you'll hear me knockin' upon your door. (CHORUS)

Now ain't it good to know
That you've got a friend
When people can be so cold
They'll hurt you, and desert you,
They'll take your soul if you let them
Oh yeah but don't you let them.... (CHORUS)
