Welcome To Phantom Lake YMCA Camp

Our Mission

Through camp-related and community programs, Phantom Lake YMCA Camp utilizes Christian principles to provide the opportunity for both children and adults to grow spiritually, physically, mentally, and socially in accordance with Luke 2:52.

Thank you for choosing Phantom Lake YMCA Camp for your child's summer camp experience! Your camper will make lifelong friends and learn about the world from exceptional staff. They will acquire new skills and strengthen old ones, while making new friends and developing fair, value-based social skills. Most of all, they will have FUN in our safe camp environment!

We ask you to be as thorough as possible in completing all forms...it is your first step to ensuring the best possible experience for your child. Please don't hesitate to contact us with any questions you have.

Once again, thank you for choosing Phantom Lake YMCA Camp!

About Us

The Phantom Square

Over 120 years ago, the founders of Phantom Lake YMCA Camp chose a Bible verse and a symbol to reflect their goals for each camper's experience.

"...And Jesus increased in Wisdom, Stature, and in favor with God and Man."-Luke 2:52

Luke 2:52 serves as the basis of Phantom's philosophy of helping children and people of all ages create a balanced life. The four sides of the square represent these four areas of growth and are discussed throughout the week and in the closing ceremony. The Greek letter "Phi" is in the center for "Phantom" and also represents the spirit of camp and how it grows in a ripple effect.

Christian Emphasis

Camp respects and welcomes campers and families of all faiths, our emphasis is placed on Christian values and the YMCA of the USA Character Development Program. We focus on the four core values of caring, respect, responsibility and honesty. Campers will investigate how they demonstrate and use these values with each other, their environment, their community, and themselves.

Youth Leadership Training (YLTs)

As part of our ongoing commitment to teens and providing young people with leadership opportunities, we offer the Youth Leadership Training (YLT) program for 14-17 year olds. The program encourages teens to become leaders and gain new experiences with children and the outdoors.

Zicahota and Nagi campers have the option of purchasing a snack from the Camp Store during snack time. Generally, \$15-\$20 per week is adequate. Camper bank account money must be sent prior to arrival at camp. It is helpful to discuss with your camper how to “make it last” for the whole week. Any money remaining in camper accounts at the end of summer will be applied as a camp donation. Donations raised are used for new program development, such as the zip line and water trampoline.

Tipping

Our staff cannot accept monetary tips. However, donations to camp on behalf of a staff member are most welcome.

GENERAL INFORMATION

Lunch & Snacks

All Day Campers will be required to bring their own packed lunch and snacks. Due to a large refrigeration unit failing we will be unable to refrigerate lunches. They will however be stored in an air-conditioned room out of the sun. Please pack lunch and snacks separate so that snacks are carried around camp with the camper while the lunch is stored inside. **Please remember camp is a nut free environment and any nut products will be discarded.**

Behavior Management

All staff members participate in an intensive training program that prepares them to deal with all aspects of camp life. We emphasize positive, age-appropriate discipline techniques that guide and encourage children, and at the same time establish clear behavior guidelines and expectations. At all times, staff members are guided by the principle that all children and adults deserve to be treated in a respectful and caring manner. Campers are expected to treat fellow campers and staff with respect and to abide by all camp rules. These rules, and the consequences for not following them, are shared on Monday. At that time campers are encouraged to ask questions to ensure clear understanding of the rules. Individuals are held accountable

for their actions. Staff members support campers by clearly defining and enforcing expectations and responsibilities. Campers are expected to participate in daily duties such as picking up litter on the camp grounds and keeping themselves and their personal space tidy.

When behavior problems persist, parents will be consulted and a plan for behavior management will be developed. In the event that a camper's behavior does not improve after all avenues of intervention have been explored, or when one camper's actions are detracting from the experience of others, the camper will be sent home.

Some actions require immediate dismissal from camp. These actions include, but are not limited to smoking or use of tobacco products, consumption or possession of alcohol and/or illegal drugs, or endangerment of self or others, or threats of endangerment to self or others. Campers sent home because of behavior problems will not be entitled to any refund of fees. Parents will be responsible for all transportation from camp.

While the staff of Phantom Lake YMCA Camp has counselors with training to work with campers who have various behavioral needs, there are limitations when it comes to working with campers who demonstrate aggressive/violent or dangerous behavior. We will strive to work with parents to come up with a plan for the success of each camper. However, in certain events campers may be sent home for these types of behaviors. If we feel that a child's needs are beyond the scope of the training of our staff, we are more than happy to help refer you to programs designed to accommodate their needs.

Family Night

Unfortunately, due to COVID-19 precautions family night will not take place this year. We hope to have this back in 2022.

Nagi Overnight

Nagi Overnight is currently on hold. Once summer has begun a determination will be made if Nagi Overnight can be done safely and in accordance with COVID-19 health recommendations.

Dress Code

Life at Phantom is informal. Send comfortable clothes (the kind that you can afford to lose or don't mind getting dirty). Clothing must be safe and practical for all activities, and must reflect the values of our camp. Items of clothing which expose bare midriffs, bare chests, undergarments, or that are transparent (see through) are prohibited. Tank tops with straps wider than one inch are permitted. Please be advised that spaghetti straps, shirts which expose a bare back, halter tops, and tube tops are prohibited. Clothing must not advertise alcohol, tobacco, profanity or have suggestive context. CAMP LIFE: WHAT TO EXPECT

Group Placement and Friendships

Campers are placed in groups based on grade level and program (Zicahota, Nagi, or Mini Tyke). As long as both campers request each other, we will do our best to fulfill this request. Going to camp with a friend is great, but meeting many new friends is a valuable experience that will last a lifetime.

Phantom Lake Day Camp Program Goals

- Protect and promote the health and well-being of children
- Promote the children's social and emotional development through building self-confidence, and encouraging self-expression, self-discipline, and curiosity
- Provide children with a variety of experiences which will broaden their horizons, increase their ease of conversation, and improve their understanding of the world around them
- Provide the children with frequent chances to succeed
- Develop a climate of confidence that will make a child want to learn
- Help to develop a responsible attitude toward society and foster feelings of belonging to a community

Swim Evaluations

Due to Bubble Groups this summer, swimming evaluations will occur during the first swimming rotation on the schedule. This evaluation will be done on the side of caution in determining an individual's swimming ability and to determine what water activities they can participate in and what precautions will need to be taken.

Swim Levels

The swim levels that are granted for Day Camp basically follow the American Red Cross swimming levels. Instead of levels 1-6, we offer Knee Deep, Bay 1, Bay 2, Bay 3, Deep. All Mini-Tyke campers will swim in the shallow area for swimming and are limited to floating, the aqua trampoline or canoe rides in the boating area. When a camper is using a swimming area outside of their assigned swimming level they will be required to wear a personal flotation device that is provided by camp.

HEALTH AND SAFETY

Accident/Illness & Emergency Treatment

We take camper health and safety very seriously. You or your emergency contact will be notified immediately if your child has a serious accident or illness or requires medical treatment by a physician. Urgent care and Emergency Care facilities are available in Mukwonago.

Medical expenses incurred (doctor, hospital, prescription, etc.) are your responsibility. Please be sure to provide your insurance information and a copy of your current insurance cards and complete the consent to provide necessary treatment or emergency care section of the Health History and Physical Form.

Emergency, Medical & Health Policy

Each year, we must have new medical forms completed and signed both by a parent and doctor prior to the session your camper is attending, although it is our preference that we receive the documentation prior to May 15th. The form will verify that your camper has had a physical within 12-months prior to his or her arrival to camp, and will also indicate any limitations or special medical considerations

Allergies

Please notify us on the Health History Form if your child has any allergies.

Health Reminders

Summer is a time for fun, but also a time for heat, sun, bugs, ticks and zebra mussels! We would like to make you aware of a few things that you can pack to help avoid health issues we have encountered in the past years. Our staff will constantly be encouraging their campers to drink plenty of liquids and protect themselves from bugs, ticks, and the sun. Please make sure they bring a water bottle clearly labeled with first and last name.

As a final note, please help keep camp healthy by bringing your child to camp only if he or she is in good health. If your camper is sick on any day, please contact the office at (262) 363-4386. Please see our COVID-19 Handbook for more information.
